Contra el presente acuerdo podrán interponer los interesados recurso de alzada conforme al artículo 121.1 de la Ley
39/2015, de 1 de octubre, del Procedimiento Administrativo Común de las Administraciones Públicas.

SEGUNDO.- Aprobación de las instrucciones para la realización del tercer ejercicio, y que dice textualmente:

INSTRUCCIONES PARA LA REALIZACIÓN DEL TERCER EJERCICIO

Le ha sido entregado el siguiente material:

1. HOJA DE RESPUESTAS

1.- En primer lugar deberá cumplimentar todos y cada uno de los recuadros de la parte izquierda de la Hoja de respuestas y leer las instrucciones que figuran al dorso, en cuanto a la cumplimentación de los datos personales y la forma de seleccionar las respuestas, y, en su caso, la anulación de la misma selección de otra nueva.

2.- Una vez que se le entregue el examen no dé la vuelta al mismo hasta que se le indique.

3.- El cuestionario consta de 50 preguntas más 5 preguntas de reserva. El Tribunal únicamente calificará las 50 primeras, quedando en reserva las 5 últimas que deberán igualmente ser contestadas (dentro del cuadro de preguntas de reserva) ante la eventualidad de que se produjera alguna anulación de las 50 primeras preguntas. El ejercicio se calificará con +1 punto por cada respuesta correctamente contestada y se penalizará con arreglo a la siguiente fórmula: [núm. de aciertos - (núm. de errores / 3)] puntos por cada respuesta incorrecta. No se puntuarán las preguntas no contestadas.

4.- Para la realización del ejercicio dispone de 60 minutos desde la señal de comienzo. Recuerde que una vez iniciado no puede bajo ningún concepto salir del aula hasta su finalización. Si sale antes de finalizar no puede llevarse documentación alguna del examen y se le considerará suspendido.

5.- Cuando termine la realización de su ejercicio o se dé conclusión con carácter general, deje el bolígrafo encima de la mesa y espere las instrucciones del Tribunal para guardar el material de examen. Esta operación se realizará en presencia del miembro del Tribunal. Consistirá en separar por la línea de puntos la parte izquierda de la "Hoja de respuestas" que contiene la identificación del aspirante de la parte que contiene las respuestas dadas a cada una de las preguntas realizadas. La corrección será realizada con medios automáticos, sin conocer la identidad del opositor. La máquina correctora, a través de códigos únicos de seguridad, asignará a cada aspirante su calificación de forma automática.

6.- En la parte de la "Hoja de respuestas", donde deberán contestar a cada una de las 50 preguntas (1 a 50) y las 5 preguntas de reserva (1 a 5 dentro del cuadro de preguntas de reserva), no se firmará ni hará señal alguna que pueda identificarle. En caso de que esto se incumpla se anularía su ejercicio, ya que, la corrección del mismo se llevará a cabo sin conocer la identidad del opositor, según lo descrito en el apartado anterior.

7.- Los opositores no podrán portar ningún tipo de bulto como mochila, cartera de mano, portátil, reloj, auriculares u otros similares.

8.- Quedará en poder del opositor el cuestionario del examen, así como copia, meramente informativa, del examen realizado (impreso autocopiativo).

9.- No se levante de la silla durante la realización de todo el ejercicio. Si necesita algo, llame la atención del vigilante del aula. Apague su teléfono móvil. Encima de la mesa solo debe figurar su D.N.I. o documento oficial identificativo y su teléfono móvil apagado.

Muchas gracias.
